

To All Advertising Agencies and Clients,

Dear Sirs,

As a contribution to all NGOs & Associations operating on the Lebanese territory, we have decided to offer them a special discounted price on all our radio stations, starting October 1st, 2017.

Therefore, Interadio will charge NGOs & Associations only 40% of the rates mentioned on our rate cards that will be subject to additional 3% AA contribution fees.

Hoping that this will benefit to all parties,

Best Regards
